To: Elementary and Secondary Principals/School Heads
    Public Schools District Supervisors
    Elementary and Secondary School Clinic Teachers
    Health and Nutrition Personnel

Subject: **ONE-DAY DIVISION ORIENTATION ON PROPER DISTRIBUTION, INSTALLATION, MONITORING AND REPORTING ON SCHOOL-BASED O/L TRAP ROLL-OUT**

1. In line with the Health and Nutrition Program of the Division and in cooperation with the Department of Science and Technology, a One-day division orientation on proper distribution, installation, monitoring and reporting on school-based o/l trap roll-out of all Elementary and Secondary School Clinic Teachers shall be conducted on June 14-22, 2012. See attached List of schools, schedule or date of orientation and venue.

2. The Objective of the orientation training is to install the DOST O/L Traps for Aedes mosquito division-wide and aim to help reduce the mosquito population thereby reducing transmission of the virus. Specifically, at the end of the training each participant shall have:
   1. To understand the Role and responsibilities of Division school Clinic Teachers and Health and Nutrition Personnel and equip with knowledge and skills in setting up an early warning system in monitoring the mosquito population using a simple, cheap and efficient tool for surveillance and control of mosquito,
   2. To come up with a geographic information system predictive model correlating entomological surveillance, dengue incidence, breeding sites and climate as an early warning system; and
   3. To strengthen campaign against dengue through information, education and communication campaign strategies that will increase awareness on the concerns surrounding dengue and appreciation of the DOST-developed O/L Trap among these population segments: teachers, students, parents and the community.

3. One representative from elementary and secondary schools preferably school clinic teachers and division health and nutrition nurses are the participants to this orientation training. The list of the school participants is found in Enclosure of this Memorandum.

4. Participants are expected to be at the training venue on time. The transportation expenses shall be charge to school MOOE and free snacks will be served.

5. A One (1) day service credit shall be granted to the participants.

6. For your information, guidance and compliance.
