

Division Memorandum No. 75 s. 2016

## SUMMER ACTIVITIES OF HEALTH AND NUTRITION PERSONNEL

To: Asst. Schools Division Superintendents  
Chief, Curriculum Implementation Division  
Chief, School Governance and Operation Division  
Division Supervisors and Coordinators  
Public Elementary and Secondary School Principals and Heads  
Health and Nutrition Personnel

1. Pursuant to DepEd Memorandum No. 144 s. 2004 Re: Summer Activities of School Health and Nutrition Personnel, during the Summer Months of April and May, 2016 all Health and Nutrition Personnel are expected to undertake the following activities:
  - a. Health Profiling and Health/Oral Examination of Division Office personnel using the Health Profiling Forms, teachers' oral health cards and CSC Form 86 respectively.
  - b. In-service training/Echo-training of School First aide teachers on health and nutrition programs and projects i.e., Disaster Risk Reduction Management, Basic Life Support, National Drug Education Program, Tuberculosis on Workplace, Water, Sanitation and Hygiene, Oral Health care and other Health related topics.
  - c. Monitoring on the compliance of PhilHealth-Tamang Serbisyong Kalusugan Pampamilya (TSeKaP).
  - d. Consolidation/Submission of reports particularly the year end consolidated nutritional status
  - e. Planning the scope of health work for school year 2016-2017.
  - f. Completion/ Updating of Health and Nutrition Section Office/District Clinic.
  - g. Information dissemination on Infectious and Non-Infectious diseases i.e. Scabies/Head Lice, Measles, Rabies, Dengue fever/Zika and HIV/AIDS
  - h. Encourage districts/schools on strengthening or activation of *Gulayan sa Paaralan* project and utilize food production on feeding program;
  - i. Participate on Brigada Eskwela and Information dissemination on Salient provisions of the Camarines Sur Environmental Code of 2012 (Ord. No. 34 series of 2012) particularly Solid or Zero Waste Management and Sanitation.
  - j. Validate pupils/students enrolled in elementary and secondary schools as *Pantawid Pamilyang Pilipino Program* (4P's) beneficiaries.
2. The Health Personnel are grouped into 5 Congressional Districts. Each group includes: Dentists, Nurses and Dental-aides, with team leader in each group. District Offices/Central schools shall be the venue for the conduct of the approved activities. Attached are the schedules and Work Plan of activities for each congressional district.
3. The usual Routine schedule of clinic duties of Health personnel in the Division Office will still be effective.
4. The Chief of School Governance and Operation Division, Medical Officer, Dentist-In-Charge, Nurse-In-Charge and Dental-aide coordinator will monitor the activities of the Health Personnel.
5. For your guidance and strict compliance.

  
**ARNULFO M. BALANE, CESO V**  
*Schools Division Superintendent*
