MESSAGE

April 2018

Congratulations to all the graduates and completers of school year 2017-2018. This year's graduation theme "Mag-aaral ng K to 12: Handa sa Hamon ng Buhay" calls on you, the graduates of the millennium, a globally competitive generation whom we expect to make this country very proud.

This is just the start of your journey, a break as you enter into the battlefields of life, a foundation of many accomplishments to come. Not forgetting how hard you worked for to get here will keep you moving on.

You will definitely make mistakes as you forge ahead dear graduates, but don't lose heart. Believe in yourself that you can achieve all that you want. Carry that spirit, snatch the chances and beat those challenges.

As you persevere to be more educated, we hope that you maintain a dignified and productive life to help not only your families but other people as well. With the zeal for excellence, be a truly prepared and better Filipino.

Godspeed and Mabuhay!
